

Four Quadrants Visual Analysis of Characters

Select a character from Seedfolks. Complete each of the four quadrants to explain your character's connections.

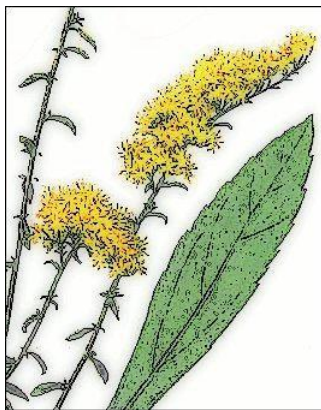

Draw a picture of your character. Include a thought bubble of why they started a garden.

What other character did they interact with? Draw a picture of what you think this interaction looked like.

**Later in the book, Leona will interact with SAM when he calls the garden a paradise. Leona does not interact with any other characters directly in her chapter.*

What are they planting? Draw a picture of this plant. *Leona decides to plant goldenrod in honor of her grandmother.*

How did they discover the garden? Draw a picture of their view of the garden.

Leona was walking home from the grocery store one day when she spotted people working in the vacant lot. She decides they need help clearing the lot.
